## CMMS BENEFITS

### LESS BREAKDOWNS

- Scheduled maintenance
- On-demand requests
- Preventative warnings from remote sensors

### ASSET LIFECYCLE

- Prevent catastrophic damage
- Prolong life of asset

### SAFETY COMPLIANCE

- Verify accuracy
- Verify certifications
- History logged to verify warranty conditions
- Reduce paper-trail

### CONTROL COSTS

- Predict costs accurately
- Millwrights have immediate mobile access to maintenance history and asset manuals; this will optimize performance.
- **ROI** is almost immediate
